Elsevier Trademarks

Elsevier and its affiliates own the below registered trademarks.

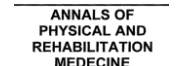

Please note, this list is not intended to be comprehensive of Elsevier's trademarks or intellectual property rights, and the absence of a mark from this list does not waive Elsevier's rights.

Third-party use of Elsevier trademarks may require a written license, such as when used:

- in a stylized or logo form
- to suggest an affiliation or endorsement
- as the most prominent brand in your content.

All third-party use must comply with applicable law and include an applicable ownership notice, for example: "ELSEVIER is a registered trademark of Elsevier BV."
