

Inspired by the timeless joie de vivre of the Mediterranean Riviera, Lumare embraces a way of living where good food, movement, sunshine and time spent together come naturally.

At its heart are the elements - fire, water, air and earth - the natural forces that underpin everything we do and shape the spirit of the Beach House + Sports Club. They connect us to the land and sea, to movement and the outdoors, to the way we cook and the produce we choose, and ultimately to the way we gather.

Our food is produce-led, wholesome and generous, guided by fire, seasonality and the social pleasure of sharing. We work closely with trusted growers, fishermen, farmers, makers and suppliers across Malaysia, Singapore and the wider region.

From long lunches around the table to days spent poolside, lazing beachside, swimming, training or on court, Lumare brings together nourishment, performance and pleasure with an effortless sense of luxury - relaxed in spirit, generous in nature and vibrant with energy.

The essence of the Mediterranean Riviera, reimagined for the Desaru Coast.
