

OUR ©FFEE

At The Communal, we proudly partner with Hazel & Hershey Coffee Roasters, one of Hong Kong's leading specialty coffee roasters.

Founded in 2012 by Birdie Chiu, Hazel & Hershey began as a local neighborhood café and has grown into a brand recognised for its world-class standards and deep commitment to quality. Working directly with carefully selected producers in renowned coffee regions, they ensure ethical sourcing, sustainability, and exceptional beans in every batch.

Each coffee is roasted locally in small batches by SCA-certified experts, preserving freshness and allowing the natural character of the beans to shine delivering a balanced, refined cup with notes of warmth and richness.

This partnership reflects The Communal's dedication to offering an elevated coffee experience, crafted with care, integrity, and a true sense of place.
