A CELEBRATION OF LIFE

Noia by the Pool takes its name from “eunoia,” the ancient Greek word for beautiful mind.

Here, each moment is a quiet celebration of living well. Sunlight shifts across the terrace, the breeze carries the scent of Mediterranean herbs, and the soft clink of glasses accompanies conversation that flows as effortlessly as the day itself.

Every drink – whether a thoughtfully crafted cocktail or a curated wine – is designed to awaken the senses and invite reflection, a nod to the rhythm, warmth, and timeless elegance of the Greek islands.

Flavours are layered yet balanced, bold yet refined, drawing inspiration from art, philosophy, and the natural abundance of the Mediterranean. At Noia by the Pool, the act of drinking becomes a gentle ritual: a pause, a shared experience, an invitation to slow down, savour, and connect with the world around you.
