## OUR COMMITMENT 我们的承诺

At Mandarin Grill & Bar, we pledge to do our part in the sustainability movement echoing around the world.

Hotels have often been on the wrong side of attention when it comes to food wastage & sustainability issues; however, we are here to do what we can to reverse this opinion. From policies such as banning all disposable plastic collateral to upcycling food waste & by-products of cooking / cocktail making, there are no gestures, no matter how small, that will go unnoticed.

Should you have any ideas to contribute, please do not hesitate to tell any of our colleagues, your comments will be brought up in our regular sustainability meetings.

Below you can learn more about our on property sustainability initiatives.

在文华扒房和酒吧，我们承诺为全球范围内的可持续发展做出贡献。酒店业在食物浪费和可持续性问题上常常备受关注，而我们正努力改变这一看法。从禁止使用一次性塑料制品，到将食物废料和烹饪 / 鸡尾酒制作的副产品进行再利用，我们相信再小的举措也值得被重视。

如果您有任何建议，请随时告知我们的员工，我们将在定期的可持续发展会议中讨论您的意见。
