

Taste of Japan

~One sip at time~

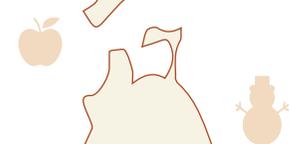

Sake is a finely crafted beverage of Japan.

Across the country, distinctive regional sakes known as Jizake are brewed, each revealing the story of its region, its people and its spirit

MIYAGI 宮城

Clean, dry, and crisp, most of the production focused on high-quality premium sake.

TOYAMA 富山

Clean yet Complex, Enhancing the flavour of local cuisine, full of Umami

FUKUSHIMA 福島

Rooted in tradition, yet steadily evolving new expressions of Sake

KYOTO 京都

Soft and elegant sake brewed with soft water

NAGANO 長野

Rich, mellow flavor, crafted from alpine snowmelt and local rice to perfectly complement the region's savory

YAMAGUCHI 山口

One of the most important places for modern sake style

WAKAYAMA 和歌山

Rich and flavourful sake created with gifts from nature and skilled brewers
