

# GIFT OF TIME

AT MANDARIN ORIENTAL JUMEIRA, DUBAI

## SHAYMA AL MUGHAIRY

This Ramadan, Mandarin Oriental Jumeira, Dubai honours the heritage of Old Jumeirah through a bespoke collaboration with Shayma Al Mughairy, a pioneering Emirati artist known as the Queen of Sand.

For over a century, the golden sands of this shoreline have quietly witnessed the lives of its people, preserving the memories of generations.

During Ramadan, these sands became a gathering place for families and friends, coming together in majlis to share wisdom, pass down tales, and celebrate the unity that defines the spirit of the holy month.

This year, the resort has partnered with Emirati artist Shayma Al Mughairy, who crafted a masterpiece using the unique symbol of sand — an element that binds both the culture and landscape of the UAE. Sand, ever-changing yet eternal, reflects the spirit of Ramadan: a time to reshape our actions and connections with one another. Titled 'Gift of Time', this evocative installation brings to life Ramadan traditions, recalling a time when the area was a simple seaside borough.

This humble tribute from Mandarin Oriental Jumeira, Dubai, pays homage to the neighbourhood that hosts the resort, recognising its rich history, the support of the community, and the enduring spirit of its people.

This one-of-a-kind display will grace The Majlis throughout the Holy Month. Guests can indulge in exquisite creations while enjoying stories of the past, making the experience an exceptional blend of art, cuisine, and culture.
