“Αλάργο η σκέψη περπατεί θάλασσα ούτε ξανοίγω και ζωγραφίζει μια μορφή στον ορίζοντα το γκριζο... “Αλάργο” σημαίνει μακριά.

Αναφέρεται σε εκείνους που αισθάνονται μακριά από τόπους και πρόσωπα...”

Lejos, el pensamiento camina sobre el mar, no miro hacia fuera, y dibuja una forma en el horizonte, lo gris...

“Alargo” significa lejos. Se refiere a aquellos que se sienten lejos de lugares y de personas...

Far away, thought walks upon the sea; I do not gaze outward, and it paints a figure on the horizon, the grey...

‘Alargo’ means far away. It refers to those who feel far from places and from people...

**“Αν η ψυχή πρόκειται να γνωρίσει τον εαυτό της, οφείλει να κοιτάξει μέσα σε μια άλλη ψυχή
διότι στον καθρέφτη έχουμε αντικρίσει τον ξένο και τον εχθρό.”**

Si el alma ha de conocerse a sí misma, debe mirar dentro de otro alma pues al extraño y al enemigo los hemos visto en el espejo.

And if the soul is to know itself, it must look into another soul. The stranger and the enemy, we've seen him in the mirror.

“Τελικά, η ποίηση είναι ο μόνος τόπος όπου μπορεί κανείς να αναπνεύσει ελεύθερα.

Al final, la poesía es el único lugar donde uno puede respirar libremente.

In the end, poetry is the only place where one can breathe freely.

“Στο τραπέζι της Ελλάδας θα βρεις τον ήλιο, το χώμα και τη θάλασσα σε ένα κομμάτι ψωμί, σε μια στάλα λάδι, σε μια γουλιά κρασί.”

En la mesa de Grecia encontrarás el sol, la tierra y el mar; en un trozo de pan, una gota de aceite y un sorbo de vino.

At the table of Greece you'll find the sun, the earth, and the sea; in a piece of bread, a drop of olive oil, and a sip of wine.
