

SPRING INTO HAIR HEALTH WITH ANDREA CLARK, TRICHOLOGIST

As the season changes, so does your hair and scalp.
A Spring Hair and Scalp Review is the perfect way to refresh and improve your hair's health, setting the stage for positive growth and a healthier condition.

We're delighted to announce that Andrea Clark, a renowned trichologist, will be back in Hong Kong from 21-28 March.

If you've noticed changes in volume, hair fall, dryness, or scalp discomfort, this is the perfect opportunity to get expert guidance and care to help your hair thrive this spring.
