THE LANGUAGE OF YÜ

"Yü" means jade, a stone of many colours.
At Yü Bar, each shade inspires a story. Memories, adventure, and the sultry
pulse of 1960s Hong Kong come alive in creations
by our expert mixologist.

Pure, serene, and luminous.
Gentle clarity with every sip, evoking calm moments,
and the soft glow of moonlight.

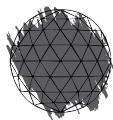

Calm, deep, and mysterious.
Brings serenity with a layer of intrigue, reflecting wisdom and introspection.

The classic jade. Fresh, vibrant, and full of life.
Symbol of renewal and balance, like that first sip that wakes the senses.

Warm, radiant, and indulgent.
Glimmers of confidence and abundance in every note.

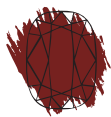

Smoky, intense, and unforgettable.

A touch of protection and mystery, perfect for a little edge.

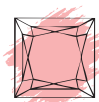

Bright, playful, and sunny.

Optimism and joy in every drop, a spark that lifts the spirit.

Bold, passionate, and magnetic.

Sparks energy and courage, for those who embrace the heat of the moment.

Flirty, soft, and vibrant.

Love, compassion, and character shine through every taste.

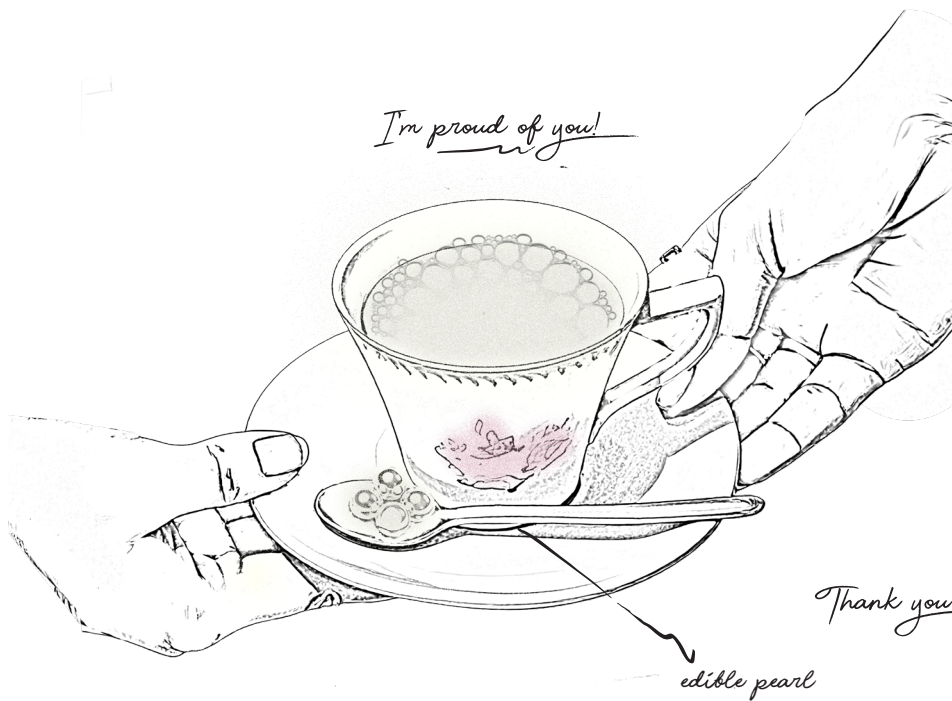

*Every colour tells a story.
Which one will speak to you tonight?*
