Limited Warranty

This is to certify that all Series 700 windows manufactured by Clayton Windows are warranted against defects in material or workmanship under normal use and service for a period of one year from the original retail purchase; however, in no event shall the foregoing warranty extend beyond eighteen months from the home manufacture date. This includes pitting, corroding, blistering, peeling or cracking to the main and sash frames and defects to the locks, keepers, latches, lifts, weather stripping and balances.

Insulated glass is warranted against failure for a period of five years from the home manufacture date. This warranty covers providing replacement glass only and does not cover the cost of installing the glass. Glass failure is a material obstruction of vision resulting from moisture, dust, or film formation between the interior glass surfaces of the insulated glass unit. Glass breakage, stress cracks and torn screens (including obstruction of vision resulting therefrom) are not covered under this warranty. This warranty does not cover condensation, frost, or fogging of the interior surfaces and glass of the window.

Any after factory alterations to windows or glass shall void the warranty.

Limitations

In case of a defect, Clayton Windows will repair or replace any defective product free of charge or return the original purchase price, provided Clayton Windows is informed of any claims prior to any repairs or replacement being initiated. Repair or replacement of wood framing and trim are not covered by this warranty. Improperly installed products will not be covered by this warranty. Any repaired or replaced product will have a warranty limited to the balance of the time remaining on the warranty of the original product.

Unless prohibited by applicable law, Clayton Windows shall not be liable for any incidental or consequential damages resulting from any defect or condition.

This warranty is extended to the original homeowner, and is in lieu of all other guarantees or warranties express or implied and does not apply to the product's normal deterioration, accidents, acts of God, fire, abuse, neglect, misuse or installation, other than as recommended by the manufacturer. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.
