

2" Raintight Threadless Rigid Compression Connectors

Bridgeport's Raintight Threadless Rigid Connectors save time when installing Threadless Rigid conduit in a Wet Location.

The 3000-RT Series are compression type connectors used to join unthreaded steel rigid conduit to box or enclosure in a wet location.

Available in 1/2" through 2" Trade Sizes. For larger trade sizes, use Bridgeport's 256-RT12 through 259-RT12 Raintight connectors.

Bridgeport Fittings Products are safety listed to ensure code compliance. With our wide selection of fittings, Bridgeport has a connector, coupling or transition fitting to meet your needs.
