

Save time and reduce the risk of improper wiring with the 15A Tamper-Resistant External Pressure Plated Duplex Receptacle. The external pressure plate expedites installation, requiring no need to loop the wire. It also provides additional space to easily fit larger wire gauge sizes, up to #10 wires.

Features & Benefits

Easily fit larger wire gauge sizes (up to #10) with the external pressure plate

External pressure plate enables faster installation

Eliminates the need to loop the wire

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

Quality materials, durability and time-tested design

Accepts CCA/cooper wire

Specifications

General Info

Product Line	Pass & Seymour	Color	White
UPC Number	785007460964	Number of Receptacles	2
Outlet Type	Tamper-Resistant	Application Sector	Residential
Wall Plate Included	No	Warranty Type	1-Year Limited Warranty

Dimensions

Product Width US	1.32 in	Product Depth US	1.0 in
Product Height US	3.31 in		

Additional Information

RoHS Compliant	Yes
----------------	-----

Technical Information

Connection Location	Back and Side	Flanged	Yes
Number of Wires	3	Amperage	15 A

Indoor/Outdoor	Indoor	NEMA Configuration Code	5-15R
Wire Connection Type	Screw Terminals	Voltage	125.0 V
